FRIDAY EVENING, AUG. 26

ATTEMPTED MURDER AND SUI-Pedestrians on South Broadway, Kuoxville, Tenn., late yesterday even-

ing saw Henry Gardner, aged 20, approach a woman, fire two shots at her, then turn the weapon upon himself and commit suicide. Gardner is the son of a farmer living

3 miles from Knoxville. The woman he tried to kill was Mrs. Ellen Ball, who went there less than a week ago from Petzer, S. C. Prior to that she resided at Spartanburg, S. C.

The woman was shot through one hand and the lobe of one ear, and though removed to a hospital, is but slightly hurt. Gardner fired two shots into his left breast and died almost in-

He left a note saying that he would rather die than live without the womanadding that she had gone back on him. Gardner's friends suppose that he met the woman in South Carolina, where he had been working, and that he became infatuated with her.

WOMEN'S HATS TO BE BIGGER. There is no relief in sight for women who have accepted the dictates

of fashion and struggled under the unwieldiness of hats of the size of an umbrella. That is the edict of the National Association of Retail Milliners John P. Robinson, which opened a convention in Chicago on Tuesday.

Big hats are to be bigger and small hats smaller than ever before. The desire for extremes extends even to the coloring, according to Mme. Maerie president of the association. The more rilliant the colors the more nearly to the ideal effect will the new hat con-

New colors will include magnolia, shade of orange; daualk, a coral red; pompeyan, a dead rose; herue, a light New Rides mahogany, and cajou, a raisin color.

Be sure and take a bottle of Chamberlain's Colic, Cholera and Diarroeha Remedy with you when starting on your Special Inducements to Picnics trip this summer. It cannot be obtained on board the trains or steamers. Changes of water and climate often cause sudden attacks of diarrhoea, and it is best to be prepared. Sold by W. F. Creighton and Richard Gibson.

#### Failed in Health

"My mother died six years ago," writes Miss Ruth Ward, of Jerseyville, Ill., "and left me to care for six children. I had never been strong; and this, with the shock of her death, was too much for me.

"I failed in health. I was tired all the time and did not want to go anywhere, nor care for company. I had the headache all the time and such bearing-down pains. 'A very dear friend advised me to take Cardui, as it had done her so much good, so I commenced to use it and now I am in good health."

The Woman's Tonic

Women's pains are relieved or prevented and women's strength is quickly restored, by Cardui, the woman's tonic.
You yourself know best if you need it, or not.

If you do need it, do not delay, but commence to use it at once. Every day of delay, only lets you slide further down the hill.

Don't wait, then, but begin to take Cardui today, for its use, no matter how prolonged, cannot harm you and will surely do you good.
